

LASSE “ILLINTON” MOSEGARD

Artist | Producer | Composer | Musician

SUMMARY

Lasse is an experienced **artist, producer, composer, and musician**, based in Ibiza and London. In 1989, he made his first record with **Dr. Baker (Kenneth Bager)** “**Kaos**”, which was a world-wide club hit. This success led him to work with **Soulshock & Cutfather, Kjeld Tolstrup, Gangway** and other Danish successful producers. In 1993, Lasse hooked up with **Lucas** and went on to produce “**Lucas with the lid off**” which went top 20 in U.S and top 10 in Canada and other very high chart positions all over the world. Few years after, Lasse co produced & co wrote a successful album “**Miles from Home**” with a Drum and Bass artist **Peshay**.

Lasse has been a multi instrumentalist from an early age and has experience in a wide variety of styles like Chill-Out, Jazz, R&B, D&B, Deep House, House, Techno, Pop, Electronica, Indie, Advertisement, TV Music and Film Scores.

Throughout his many years of experience, Lasse has demonstrated an effortless ability of working excellently in time-sensitive and high pressured environments across these multiple occupations, while actively keeping up with the growth and changes of an ever evolving industry. Amongst his broad industry experience, he has also written, performed, recorded, mixed, marketed, and engineered music.

He recently composed, produced and mixed the music, for the **feature documentary film**, “**The Last Shaman**” Directed by **Raz Degan**, Presented by **Leonardo DiCaprio** (Appian Way Productions) Produced by **Nadav Schirman** and **Ariel Wromen**, with Executive Production by **John Battsek, Luca Argentero** and **Giancarlo Canavesio**. Collectively, these folks have been nominated for countless awards and even more notably, pioneered an Academy Award-winning film. Abramorama is an independent film distributor and industry leader, spearheading some of the most successful documentary films of the past decade, including **The Beatles, Eight Days a Week** and **Exit Through the Gift Shop**. The film is currently showing in **US cinemas** and along with the film’s musical soundtrack, and released on **Netflix** in Us and Europe.

Lasse has produced and co-written **Yoav**’s new Album “Multiverse”, an Electronica/singer/songwriter/guitarist from **South Africa**. **Yoav**’s music features vocals and accompaniment by an acoustic guitar, which he uses to create electronica-style beats with his hands. Previous releases “**Club Thing**” and “**Beautiful Lie**” had huge success and charting in countries around Europe. His song “**Adore Adore**” was also featured in “Redwood”, an episode of **The Mentalist**. He also had a version of his cover song of “**Where Is My Mind?**” featured in the 2011 film **Sucker Punch**, which starred actress and singer **Emily Browning**. The song was subsequently included on the soundtrack. Yoav has also been featured as a “**Single of the Week**” artist on **iTunes Canada**. He also achieved a **No.1 song in Denmark and Russia**, where he also received a special RAMP award (Rock Alternative Music Prize) in recognition of his achievements.

Lasse is currently, composing, producing and mixing music for the innovating, **all human body senses** concept, **Bebox**, an innovative new platform offering **sound therapy music, healing frequencies**, visuals and guided meditations. Bebox, founded and developed by **Chris Conner**, is a local multimedia space designed to guide and inspire you to access the power and beauty of the present moment. The complete therapy space will offer unique and visionary mind/body meditation classes that are designed for daily practice and long term vitality. The first complete therapy studio will be launched in London, early 2018 and open for classes. Additionally, Lasse has composed music for the **Golden Globe** winning TV show **CSI**, and a film score for the award winning movie "**Ma Salama Jamil**" **Göteborg Film Festival 2008** - Church of Sweden Film Award and FIPRESCI Prize, **Rotterdam International Film Festival 2008** - Tiger Award, **Warsaw International Film Festival** - Competition 1-2 Award

His sound, performance and production skills have positioned him amongst great artists including:
